Gentlemen,

I am looking forward to a great upcoming year. We'll be starting several new activities with the help of an incredible line of new officers, refreshing several others, and staying true to some of our more traditional events. At our first meeting of the 2010-11 Masonic Year we will review a planned calendar of events so everyone can get as excited as I am about what we have in store for our lodge and community.

There are two events of particular note for everyone to put on their calendar right away. August 7, 2:00 PM at Rose Hill Masonic Temple will be the *Installation of Officers*. Refreshments will be served after the event but we will not be having a full, sit-down dinner. August 28 is set aside for the Missouri-wide Masonic Open House sponsored by the Grand Lodge to increase awareness in our communities that the lodges are there, and to emphasize what Freemasonry is all about. More information will be coming out about the open house, but keep the date open to participate.

In closing, be sure to thank our out-going officers. Every chair in the lodge has a great deal of responsibility and requires a lot of time and dedication. They served you as part of the lodge; let them know you appreciate their sacrifice.

Fraternally,

Kevin Fuller

Worshipful Master - Elect

Outgoing Secretary's Message

Brethren,

This has been a particularly difficult year for me and for my family (including my Masonic family). The deaths of my older sister, mother and younger brother within a span of 6 months was difficult, made even more acute by several Masonic funerals for well-loved brethren that we all dearly miss.

If there is an unrecognized victim it is the Lodge (and to some extent Grand Lodge). I have unfortunately been absent for half of our communications and events in the 2010 Masonic Year, and feel my participation and performance has been marginal at best. Trying to keep up with important business of the Lodge in the midst of all of this has been a struggle. I have not been able to give the position the attention it demands. The

events of the past year, and a need and desire to focus on family in the coming year compelled me to not seek another year as Secretary. You have all selected an excellent replacement in Ted Barbour, and I have assured Ted and Kevin that I will follow up to continue organizing Lodge records and be there to help with the transition.

To all of you my heartfelt thanks for your continued understanding and support. I fully intend to be with you throughout the 2011 Masonic Year, and devote my time to the Lodge wherever and whenever it is needed.

Fraternally,

Russ Wertz
